MAKING A DRUM KIT.

<https://classroom.thenational.academy/lessons/tin-can-drumming-74t6at?activity=video&step=1>

For the Tin Can Drum Kit you will need:

If you do not have the resources to make these drums, you can use pots and pans from the kitchen and spoons or pencils to play them!

RHYTHM AND BEAT.

Find some music with a good beat to play along. If you can hear the steady beat, see if you can match it. If you know the words, see if you can play to the rhythm of the words. If you can create your own rhythm patterns, see if you can fit them to the music!

Here are some sites to find music with a good beat to play along to.
