

# Weekly Music Fun - 7 -

This is a short music lesson explaining that 'tempo' means 'fast and slow'.

## FAST AND SLOW

This is a funny short animation about the length of music notes and the speed of the music with Beethoven!

<https://www.youtube.com/watch?v=YaBe5dxomLM>

*This is a nice video with animals walking at different speeds to match the music. For a more sensory approach, the adult can 'walk' or 'run' their fingers on the arm or leg of the child to match the music heard!*

<https://www.youtube.com/watch?v=nfO61fiSgaI>

A lovely slow and fast song.

### Fast and slow music game!

Use an instrument, dance or be bounced or have your hands shaken to the tempo of the music!
